

*COMPETENCE NETWORK FOR SCIENTIFIC  
HIGH PERFORMANCE COMPUTING  
IN BAVARIA*

**APPLY FOR FUNDING**

Work closely with LRZ / NHR@FAU  
to make your code ready for HPC

- Performance analysis and optimization
- Parallelization and new architectures
- Algorithms for HPC
- Research Software Engineering for HPC
- Introduction of new scientific domains to HPC

Small (10k€) and large (50k€) projects

Calls semi-annually (closing 1.3, 1.9),  
decisions announced in < 3 months
